

**The Organization of Black Aerospace Professionals, *previously The Organization of Black Airline Pilots* is moving to a new location, effective December 1, 2009.**

Please look for the December 2009 –Special Holiday Issue of The PIREP, coming soon. This publication will be distributed via mail with additional move details to those who are active members and to active and inactive members via a hyperlink to ensure wide-spread distribution. It will showcase our 2009 program success and highlights for the organization. Be sure to read your copy...and pass it on!

All organizational business will be conducted from our new offices and all phones are ready to take your calls.
